**PAYMENT REMINDER** Please remember payment is due weekly, for that occurring week to avoid the late payment fee of \$15.00. Many of our families have payment mailed directly to us from their banks or write a months worth of post-dated checks dropped in one of our check boxes. The office then puts the corresponding check in the computer for that week. You can also pay with money orders or pay with cash. We want to make tuition payment simple and stress free. Thank you for your consistent on-time payment. We are still working on our new on-line, childcare management system. Please bear with us as we have realized it's taking us a little longer to initiate than anticipated.
