

To all those who celebrated, we hope you had a wonderful Passover and were able to spend quality time with loved ones. Let's all try to reflect on freedom, positivity, and resilience every day of the year.

## The Country Woodland Connection 4/2021

Theme: Spring Has Sprung!

### SHOWS!

We are finally able to start having outdoor shows again! The Easter Bunny hops his way onto the CW playground on 4/1 at 10:30. Each class will enjoy an egg hunt with our special friend. The **Great Zucchini** is a genius kid's magician whose performance also includes comedy. He distinguishes between simple "magic tricks" and "hilarious comedy magic!" He has performed all over the world including The White House, but he'll be right here at CW on 4/28 @ 10:30.

### DROP OFF REMINDERS

We appreciate everyone's participation of the health policies and procedures that have been put into place this school year. We know drop off in the mornings is sometimes challenging and is very different when you can't actually go into the classrooms. But for the safety of your child and to make certain our teachers are aware every student has arrived safely into the building, it is imperative that an adult actually walks each child up to their classroom door, knocks, and waits for a teacher to greet them. When a child is not physically escorted all the way to their classroom door, and acknowledged by a teacher, it allows for a possibility of accidents and incidents to occur that the teachers and parent may not even see or be aware of. Also, the parking lot may be a dangerous place and an unaccompanied child may not be seen by all drivers, dart out unexpectedly, or fall and get hurt. We simply cannot stress the importance of an adult physically supervising a child all the way to their classroom. We appreciate your understanding.

### EXTRA-CURRICULAR ACTIVITIES

Usually this is the time of year when we offer, at an additional cost, soccer and Power Tots classes. This service is through an outside company that comes here to CW during business hours. Many parents enjoy this convenience of having some extra-curricular activities during school hours so it eases the load on the weekend! However, with COVID concerns it is not really possible to set up large group activities at this time. We hope this may become an option later in the season.

### MOTHER'S DAY

Mother's Day is always a particularly special day here at CW. We usually have a party on the playground where all of our moms, love-like—a mom, and grandma's join us for a celebration in their honor. This year, we will still embrace our gratitude and love for you all, but with a take-home goodie-bag rather than an in-house party. We will still make it super special for the children and our families.

### LATE FEE REMINDER

Please keep in mind our late payment policy. Tuition is due weekly, for that occurring week to avoid the late payment fee of \$15.00. Many of our families have payment mailed directly to us from their banks or write a months worth of post-dated checks and put in an envelope and drop in one of our check boxes. The office then puts the correct corresponding check in the computer for that week. We want to make tuition payment easy and stress free so no one receives the \$15.00 penalty. Thank you for your consistent on-time payment.

### UPCOMING ACTIVITIES

- > **4/1—Easter Bunny visit and Egg Hunt 10:30-11:30**
- > **4/22-Earth Day Flower Planting weather permitting**
- > **4/28 The Great Zucchini**
- > **5/6 -Spring Pictures**
- > **5/7 -Mother's Day Goodie-Bag-To-Go**
- > **6/11— TBD Save the Date Pre-K Graduation**

### EARTH DAY EVERY DAY

To celebrate Earth Day, we will liven up our school by planting beautiful flowers and plants on 4/22 (weather permitting) Each class will pick an area and get dirty! It will be their responsibility to keep their plants happy and healthy all season long. Please help us keep CW and its surrounding area clean and beautiful!!
