SPRING PICTURES & CLASS PICTURES

Pictures will be taken on 4/18 starting around 8:00. We will use a wonderful spring time background. (Picture background soon to be hanging in each classroom.) All children will be photographed, no pre-payment needed; pay only if you would like to purchase AFTER viewing the proofs. Class pics will be taken, too. More info will be sent home soon.

EARTH DAY EVERY DAY

To celebrate Earth Day, we will liven up our school by planting beautiful flowers and plants on 4/20. (weather permitting) Each class will pick an area and get dirty! It will be their responsibility to keep their plants happy and healthy all season long. Please help us keep CW and its surrounding area clean and beautiful!!

KENWOOD SCHOOL OPEN HOUSE

Our sister school, Kenwood, which offers classes from kindergarten -6th grade, will be having an open house on Saturday, April 28 from 9-12. Kenwood is a private school with small class sizes and before and after school care for those families interested. Kindergarten enrollment is open to children who will be five by November 30. (The public schools require that your child turns five by September 30.) Our Sea Pals class will be taking a field trip to Kenwood on 4/6 from 9:30-12 to let the children take a look around the school. They will ride the school bus over, spend the morning meeting the teachers and children, playing on their wonderful playground and touring all of the new exciting classrooms. Each child will be given a pamphlet to take home if you would like more information about the program. You may also call the Director, Alison Zoby, at (703) 256-4711 if you are interested. Please have your child here no later than 9am.
