

THE COUNTRY WOODLAND CONNECTION AUG. 2023 Theme this month...Down on the Farm!

As summer comes to a close there will be great activities to fill up the month as we look forward to some relief from the heat! We would like to take this opportunity to say goodbye to our kids from our graduating Treasure Hunters Class. We are confident in your success and accomplishments throughout your elementary careers and hope you come by to visit as you grow. It is always bittersweet as we see our little ones moving on. You will all be greatly missed. Congratulations again on your hard work and achievements. We are so proud!!

"I think having land and not ruining it is the most beautiful art that anybody could ever want to own." – **Andy Warhol**

BUILD A BEAR! Make way for the Bear Bus on 8/23 around 10:30 am! We build our bears, or other little creature we choose, stuff them, dress them then take them home and love them forever!

UPDATED INFO

In September, all families will receive another basic parent pack. Your child's teacher will have a "nothing has changed form." If all of the info is accurate and correct on your registration form and/or emergency medical form, simply sign off on the "nothing has changed" form. If anything has changed, you will be asked to complete a new one. This helps us ensure your child's file is still up to date. If any info has changed, please complete a new registration and/or emergency medical form available online, in the office or in your child's classroom, and return ASAP. Also, please remember to bring in copies of your child's immunizations as they get updated. Thank you for assisting us in maintaining our exceptional inspections from licensing.

END OF SUMMER PARTIES

On Thursday 8/31 we will officially bring summer to an end with a surprise lunch party! CW will provide all of the goodies!

KONA ICE

The Kona Ice truck pulls into CW for an end of the summer treat on 8/16 at 10:30 am. Everyone loves picking their favorite flavor and listening to great party music!

BIKE & WATER DAY

The last week of bike day and water play is the week of 8/28-9/1. If your child changes rooms, (see paragraph below) you will receive a new schedule. Please take your child's bike home by the end of that week if you have left it here. Bug spray and sun screen can stay for awhile longer.

SUMMER ENDS/FALL BEGINS

Country Woodland will be CLOSED on Friday 9/1 for a teacher work-day and Monday 9/5 for Labor Day. Everyone will be working very hard to get their rooms ready for the new school year originally planned for 9/5. But since FFX CTY schools started back so early, we are going to move our current children to their new classroom on 8/21 instead. (Some children might be moving classes, some children may have already moved in the beginning of summer, some children may be staying where they are.) Letters with your child's new teachers and classes will be sent out soon. Transitioning classes and children is a delicate process that we take very seriously. The teachers will still be ready and prepared, but pardon our dust; we are changing classes 2 weeks earlier than originally planned. Thank you.

AUG./SEPT. ACTIVITIES:

8/7-Ct. Cookie Truck @ 10:30

8/16-Kona Ice @ 10:30
