

THE COUNTRY WOODLAND CONNECTION AUG. 2016

Theme this month...Science Lab

"Science is wonderfully equipped to answer the question 'How?' but it gets terribly confused when you ask the question 'Why?'" -Erwin Chargaff

Parents Night Out!

Country Woodland School would like to offer all of our hardworking parents a night out! Perhaps for a romantic dinner date or some quality alone time. There is nothing like having reliable childcare, now being offered after hours. We are doing this....FRIDAY, AUGUST 5 FROM 6pm-10pm.

DINNER WILL BE SERVED.COST:1 CHILD- \$30; 2 CHILDREN-\$45; 3 CHILDREN-\$60

Please sign-up AND pre-pay in the office. **Exact cash only.** Late fees will be in effect for children not signed up for after hours child care. PICK-UP BY 10:00 PM. Late fees will be in effect after 10:00 pm. Also please remember that if you have an infant, you need to have an adequate amount of bottles and or baby food to last for the evening! Please sign up and pay in the office if interested. We hope to see a lot of children. Enjoy your night out!

As summer comes to a close there will be great activities to fill up the month as we look forward to some relief from the heat! We would like to take this opportunity to say goodbye to our graduating class. You will all be greatly missed and we are confident in your success and accomplishments throughout your elementary careers. Please come back and visit often. It is always bittersweet as we see our little ones growing up and moving on. Congratulations again on your hard work and achievements. We are so proud!!

KRAZY KEMISRTY

Krazy Khemistry is an integrated mobile science lab. The "lab" incorporates science with technology, engineering, art and math. Classes are led by well trained teachers that focus on creative thinking, problem solving skills as well as social and emotional development.

Children will learn and experience FUN and ENGAGING activities through hands on exercises and creative innovation process.

Krazy Kemistry believes kids who learn to explore without the fear of failing - the essence of innovation - are happier, more creative, and more confident when challenged with life's challenges. Inspired by the innovation process, Krazy Kemistry designs and runs a constantly evolving series of programs.

Their hands on programs are themed around the following topics in Chemical Reaction, Simple Machines, Biology, Matter, Magnets, Interactive Art Projects and much more. This is a new activity for us and we cannot wait! Tuesday 8/9 beginning at 10am. The toddlers and 2s will be together, and then the other classes will each have a performance of their own lasting about 30 minutes each.

POLICY REMINDER

Please remember that a 2 week written notice is required if you choose to disenroll your child we ask that you please take care of any outstanding balances you may have prior to leaving.

IMPORTANT: Tuition is due by Wednesday of each week or a \$15 late fee will be added to your account. We appreciate those families who consistently pay on time.

NEW CLASSES

Your child will be receiving a postcard in the near future to let you know which class he/she will be in for the 2016/17 school year. Depending upon age and developmental needs, some children may remain in their current room or move to a new room. Due to enrollment demands, we may be changing a few classes and a few teachers around for the upcoming school year. We are very excited about the Fall and know next year is going to be a great one!

Feel free to contact your child's current teacher or soon to be teacher if you have any questions or concerns. Every child's education and happiness are top priority and children are placed in the class that seems to be the best for them. We will continue to work with curriculum each month along with child lead activities; experiencing new art projects and exciting new adventures. We are all looking forward to a wonderful school year.

CLOSED!

Country Woodland will be CLOSED on Friday 9/2 for a teacher workday and Monday 9/5 for Labor Day. Everyone will be working very hard to get their rooms ready for the new school year. See you on Tuesday, Sept. 6 to start the new school year!

SOCCER CAMP!

On Wed. 8/17 from 3-5 pm for our 3s and 4s only, Coach Ollie will be here presenting an educational, fun and exciting soccer "camp." He will teach socialization skills and sportsmanship, and of course soccer skills. Coach Ollie will be back in the Spring offering optional soccer classes. More info to be sent home soon.

UPDATED INFO

In an effort to assure that the information in your child's file is complete and accurate, all families will receive a brand new parent pack in September. Please read over everything, if none of your info has changed, you can simply fill out the "nothing has changed" form and return to the office ASAP. If any info has changed, please complete new registration and emergency medical forms and turn those in. Also, please remember to bring in copies of your child's immunizations as they get updated. Your cooperation is greatly appreciated.

BIKE & WATER DAY

Bike and water day will end the first week in September. Please take home your child's bike by Thursday 9/1 and any water play items. Bug spray and sun screen can remain here for a while longer. Once they are no longer being used, they must be taken home or thrown out.

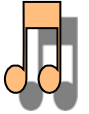

Aug./Sept. ACTIVITIES

- 8/9 Starts @10 am Krazy Kemistry
- 8/15 Kona Ice 10:15 am
- 8/17 Soccer Camp 3-5pm (3s and 4s only)
- 9/1 Special Surprise Lunch
- 9/2 CLOSED Teacher Workday
