CW Re-licensing
Country Woodland is due for its biennial state re-licensing any time prior to May 2018. On a regular basis we strive to be above and beyond minimum standards. However every now and then formalities need to be updated as policies and procedures change over the years. We ask for parents help in keeping CW up to date with our paperwork. If you are asked to renew any forms please expedite the process. We are proud of CW and work hard to maintain our valued, favorable inspections.

"I have decided to stick with love. Hate is too great a burden"

Tuition increases the week of February 5th. Please stop by the office, call or email if you are unsure of your new rate. We appreciate your support and understanding.

SUMMER & FALL ENROLLMENT

HOLIDAY REMINDER

It seems unbelievable but summer is right around the corner! Please start thinking about your child-care plans. We are now offering early enrollment for summer 2018 & fall 2018/19. In fact, a discount will be given for registering for summer and fall together. More forms in office if needed.

VALENTINES DAY PARTY!

We are so excited to celebrate Valentines Day this year! All of our classes will have parties and a card exchange. Sign-up sheets are posted in each room if you would like to bring in a treat, stickers, etc. to share on 2/14. The Dollar Store has great ideas if you would like to bring in something other than edible treats to share. Class lists will be sent home if you would like your child to exchange cards with the class. (This is optional.) Happy Valentines day! We have a few children with severe peanut allergies, and various other less severe allergies. If you send in a homemade treat, please include the ingredient list.

DR.SEUSS B-DAY 3/2! To celebrate let's have a PJ party and read Dr. Seuss books all day!

2nd POWER TOTS CLASS
If your child isn't already, and you would like to register for the second POWERTOTS, Please let the office know. Class will most likely start 3/5.

CONFERENCES
After viewing your child's progress report, you may have been interested in scheduling a conference with your child's teacher. Phone conferences are an option too, if that is more convenient. Please touch base with your child's teacher if you would still like to set something up. We are certainly willing to be as flexible as possible regarding days, times, etc. CW is very proud of the progress everyone has made so far this school year!
