### KONA ICE

The Kona Ice truck pulls into CW for a summer treat on 7/10 at 10:30 am. Everyone loves picking their favorite flavor and cooling off in the hot summer heat!

### VACATIONS

After attending at least one year, (12 months from your start date, and then every calendar year after that) you have earned a free week! You deserve it! One free week, considered a "vacation credit" is only applicable once a year and when using your vacation credit, your child may not attend any portion of the M-F week. Just call or email the office and let us know when you want to use it! (Credits do not roll over if un-used. Sorry!)

### NEW FACES!

You may have noticed a few new teachers this summer; Ms. Asley and Ms. Amie, twin sisters and friends of Ms. Sarah! have already eagerly jumped in learning all about CW and are excited to start off in our 2s and 3s class rooms. We have also had a lot of new children join us this summer. We know change can be difficult. Thank you to our teachers and "established" little ones for helping make everyone feel comfortable and welcome at CW.

### SUN-SCREEN, WATER PLAY & BUG SPRAY

Please fill out and return the necessary permission slips if you would like our staff to apply sun screen/bug spray to your child. **We highly recommend it.** Your teacher or the office have extra forms if needed. You must provide the actual lotion in its original container and have it labeled with your child's name. Siblings need their own separate bottles. It is also required that a water play permission form be completed for water play day. This is a licensing regulation. Thank you.
