SUN-SCREEN & BUG SPRAY

Some of our little ones may need to bring in sun-screen and/ or bug spray. We will be spending a lot of time outside, and it is always good to be protected. Permission slips are in the office if needed. Please fill out and return if you would like our staff to apply sun screen/bug spray to your child. You must provide the actual lotion in its original container and have it labeled with your child's name. Siblings need their own separate bottles. This is a licensing regulation. Thank you.

KONA ICE

The Kona Ice truck pulls into CW again for another summer treat on 6/18 @ 10. Everyone loves making their own icee, picking their favorite flavor and listening to great party music!

MOONBOUNCE!

Let's kick off our shoes and get ready for some moon bounce fun! This isn't your old fashioned moon bounce though. This is a “Crayon Playground” combo obstacle moon bounce. It offers a large jumping area, basketball net, climbing ladder, long slide, and bright premium graphics. It also has activity adventures on the walls offering various other types of entertainment. Our children are sure to be amazed at the fun they are going to get out of this special edition moon bounce appropriate for little ones up to the age of 5. This happens on 6/28 all morning!

BIKE AND WATER PLAY DAY!

We will finally begin having water-play day and bike day once a week the week of 6/25. Check your child's parent board for which day of the week pertains to your child. Children may not participate with water activities if we do not have a permission slip filled out. A permission slip explaining water day in a little more detail is attached. For bike day, we have plenty of bikes for the children to enjoy, but you are welcome to bring in a bike from home if it makes your child happy! Please just make sure it is labeled with your child's name as to avoid any confusion. Some of us may have the same bike! We also recommend a helmet, elbow & knee pads if you like. Please label these items as well.

SOCCER CLASS

Soccer class has been GREAT and we are sad for it to end. Coach Olly was wonderful and the children learned many skills while having fun. June 13th at 10am will be the last class. We hope to offer soccer again next season. Thanks Coach Olly!
