THE GREAT ZUCCHINI

For over 20 years, The Great Zucchini has been entertaining young children as a magician and preschool teacher. He performs his hands-on, interactive magic shows for more than 500 groups a year. His experience, coupled with his gentle nature and wacky facial expressions, makes kids immediately feel comfortable and ready to laugh. The wonder of magic, silliness of comedy, and interactive nature of The Great Zucchini's show keeps children on the edge of their seats. Things disappear and reappear, there's rainbow streamers, magic rabbits and the children become the stars as The Great Zucchini joins us CW for another amazing show we can't wait to be a part of! 6/26 AT 10:30.

BIKE AND WATER PLAY DAY!

We will finally begin having water-play day and bike day once a week the week of 6/26. Check your child's parent board for which day of the week pertains to your child. Children may not participate with water activities if we do not have a permission slip filled out. A permission slip explaining water day in a little more detail is attached. For bike day, we have plenty of bikes for the children to enjoy, but you are welcome to bring in a bike from home if it makes your child happy! Please just make sure it is labeled with your child's name as to avoid any confusion. Some of us may have the same bike! We also recommend a helmet, elbow & knee pads if you like. Please label these items as well.

SOCCKER CLASS

Soccer class has been GREAT and we are sad for it to end. Coach Olly was wonderful and the children learned many skills while having fun. June 8th will be a regularly scheduled class and then JUNE 14h at 10am will be the last class. We hope to offer soccer again next season. Thanks Coach Olly!
