

THE Country Woodland Connection

MARCH 2018

ST. PATRICK'S DAY CELEBRATION

On 3/16 all of our classes will celebrate St. Patrick's day with a special green snack! No need to bring in any goodies from home! We'll supply it all! But remember ... dress in green!!!

REMINDER... Daylight Saving Time is right around the corner! Set your clocks ahead Sunday, 3/11!

Save the Date..... A tentative date has been set for our pre k graduation. We are planning for Friday, June 22th 10am on the CW playground. If this day or the time changes, we will make an announcement immediately. Preparations have already begun and you are sure to be awed and amazed at the practice, planning and groundwork that go into this memorable experience. Our little ones are growing up!

Kenwood is offering a fun-filled exciting camp program this summer for children who have completed kindergarten-8th grade. For more information call (703) 256-4711.

EARLY REGISTRATION

If you are interested in registering your child for summer 2018 and/or fall 2018/19 please complete the form that was previously sent home and turn in to the office.

LOVE THE BALL—SOCCER PROGRAM

Love the ball is a small, private organization that offers developmentally appropriate lessons and curriculum tailored specifically to distinct age groups. A degreed, experienced coach, Coach Olly, (whom has been with us for a few years now and is AWESOME!) teaches fun, fitness oriented activities, coordination, balance, honesty, sharing and respect with creativity and enthusiasm; not to mention soccer skills. A free class will be offered to all children 3 and up on 3/21. If your child enjoys the class and you would like to sign up, an optional spring class, at an additional fee, will be offered during CW hours on 4/4. There will be a 10 week session, once a week, on Wednesdays. More info will be sent home very soon.

Theme this month...
Blast Off To Space!

Class & Individual pictures on 4/18!!

OLDER CHILDREN SUMMER CAMP

THE EASTER BUNNY HOPS HIS WAY ON-TO THE CW PLAYGROUND ON 3/28 AT 10:30. WE WILL ENJOY AN EGG HUNT TOGETHER,

PARKING LOT REMIDERS

As we all know parking is limited here at CW. We ask that parents please expedite drop off and pick up during peak hours. If you would like to chat with your child's teacher, you may want to schedule a different time when accessibility may be easier regarding parking, and her availability. Some concerns have also been brought up of parents lingering in cars using their phones before they pull out. While safety is definitely a top concern, again, parking is cherished; perhaps move to the side of Woodland Dr. if you need to remain parked for an extended period of time. We appreciate your understanding.

IMMUNIZATION REMINDER

PLEASE remember to bring us a copy as your child gets immunized throughout their early years. We will send home reminder notices at the beginning of each month as your child is due but we also ask for your help in keeping our files in compliance with state licensing. We are due to be re-licensed any time between now and May and we appreciate your help receiving a glowing inspection! Thank you.

POWER TOTS

Our second Power Tots Class will begin on Monday 3/5 11:15-11:45; and will continue each Monday until the end of May. We are super excited it all worked out so we had the opportunity to offer a second class for those interested.

UPDATED INFORMATION

Please remember to update with the office emails and phone numbers as they change.

Dr. Seuss Show!

Dean Allen brings his silly magical antics for us all to enjoy on 3.14 @ 10:30. The Seuss-tastic magic show is always a favorite and I bet you can't guess what it's about!??

NEW FRIEND BUT FAMILIAR FACE!

We are pleased to announce that Ms. Shab is coming back to CW. Ms. Shab worked with us last year in our toddler room, but had to leave to take care of an elderly family member. She is now able to return and is super excited! The staff, parents and children enjoyed her company. Ms. Shab is sweet, pleasant, patient and familiar with our routines so she'll have no trouble fitting right back in! Her usually schedule will be in the afternoons starting the first week in March. Introduce yourself when you get the chance, you won't be disappointed!
