Our parking lot offers limited space as everyone knows! Please expedite your time when dropping off and picking up your child during peak hours. If you would like to speak with your child's teacher, we ask that you schedule a time that it may be less busy.

PARENT BREAKFAST-IN-A-BAG TO GO!

On 11/17 we will be offering a breakfast-to-go-in-a-bag for all of our wonderful parents who drop off that morning. To show our appreciation and that we are so thankful to have you, your child will put together a delicious breakfast treat prepared in a to-go bag to take with you. So, drop off on the 17th with an empty stomach and enjoy breakfast on the run!

HOLIDAY ENROLLMENT

It's helpful for activities & staffing purposes to let us know your vacation plans for the upcoming Holiday season. Please complete the attached form and email or drop off to your child's teacher. Thanks!

OUTSIDE TIME

We try to go outside every day, perhaps just for a little bit; the children enjoy running around and getting some fresh air. Please dress your child accordingly. Remember our policy; if your child is well enough to attend school, he/she is well enough to go outside.

MEDICATION/HEALTH REMINDER

CW staff does not administer medication of any kind, unless it is life sustaining, such as an EpiPen. This includes OTC meds such as Tylenol, prescription meds such as amoxicillin and prescription topical ointments, etc. You, as the parent or guardian, are welcome to come administer medication as needed. Often your dr. can prescribe medication dosage twice daily for your convenience if you mention our policy in advance. This policy is stated in our parent handbook. We apologize and understand this may be an inconvenience, but we follow the guidelines within the constraints of state licensing. Our goal is a school full of healthy children. We can come close to achieving this goal if parents and staff work together. Our staff members practice and teach good health habits, such as hand washing before meals, after toileting, after playing outside, and throughout the day as needed. Toys, countertops and items and objects touched regularly are frequently sanitized. We ask that parents do their part by keeping ill children out of school.

JUST AN FYI...The changing of seasons is an exciting time for kids and provides new opportunities for learning, perhaps talking about nature, weather or the holidays. Your preschoolers will enjoy this season with the various projects and activities the CW teachers' have planned. Fun, wintery themes that everyone knows and can relate to will be the highlight throughout the months. We are a private, non-denominational school, so when it comes to the various holidays, all projects will be fun and exciting and most can be achieved having no religious component at all. But if it arises, any religious discussion will be objective, unbiased and used with age-appropriate language and materials, with an emphasis on respect.

LOOKING FORWARD TO SANTA!

An early message straight from the North Pole has reported that Santa will arrive at Country Woodland on 12/12 at 9:30 am. Santa has been taking good care of himself these last few months and is excited to visit CW again! Each child gets to sit with Santa and spend a little time visiting with each other.
