HOLIDAY ENROLLMENT

It is always helpful for activities & staffing purposes to let us know your vacation plans for the upcoming Holiday season. Please complete the attached form and email or drop off to the office. Thanks!

**CW staff does not administer medication of any kind, unless it is life sustaining, such as an epi-
pen.**

This includes over the counter meds such as Tylenol, prescription meds such as amoxicillin and prescription topical ointments, etc. You, as the parent or guardian, are welcome to come administer medication as needed. Often your dr. can prescribe medication dosage twice daily for your convenience if you mention our policy in advance. This policy was stated in the parent handbook provided at the time of enrollment for you to better make provisions if needed. We apologize and understand this may be an inconvenience, but we follow the guidelines within the constraints of state licensing.

PARENT BREAKFAST-IN-A-BAG TO GO!

On Friday, 11/18 we will be offering a breakfast-in-a-bag for all of our wonderful parents who drop off that morning. To show our appreciation and that we are sooo thankful to have you, your child will put together a delicious breakfast treat prepared in a to-go bag so you can take it to work with you (or eat here if you like!) So, drop off on the 18th with an empty stomach!

NEW FACES! Ms. Jenny joins our Sea Pals Class on the 27th. She is looking forward to getting to know everyone. Ms. Gloria has joined our Rainforest Friends in the pm. She jumps right into activities, loves interacting with the children and is super excited for the opportunity to be here. Ms. Jessica joins The Rainforest Friends full-time on the 31st. She is always smiling, has tons of customer service experience, and her child development classes are sure to offer her support and insight into the busy world of our 2s! We are extremely happy with our new team and we think you will be, too.

OUTSIDE TIME

We go outside ever day, as long as it is not raining, even when it is cold. Perhaps just for a little bit, but the children enjoy it and get to run around and get some fresh air. This is a state licensing requirement. Please dress your child accordingly. Remember our policy; if your child is well enough to attend school, he/she is well enough to go outside.
