PARENT BREAKFAST-IN-A-BAG TO GO!
On Friday, 11/17 we will be offering a breakfast-in-a-bag for all of our wonderful parents who drop off that morning. To show our appreciation and that we are so thankful to have you, your child will put together a delicious breakfast treat prepared in a to-go bag so you can take it to work with you (or eat here if you like!) So, drop off on the 17th with an empty stomach!

SPIDERMAN COMES TO CW!

Spider Man drops-in 11/15 @ 10:30 for an amazing performance like no other. This superhero appears with music, dancing, balloon twisting, and little super hero training for all!!

OUTSIDE TIME

We go outside every day, perhaps just for a little bit, but the children enjoy running around and getting some fresh air. Please dress your child accordingly. Remember our policy; if your child is well enough to attend school, he/she is well enough to go outside.

HOLIDAY ENROLLMENT

It is always helpful for activities & staffing purposes to let us know your vacation plans for the upcoming Holiday season. Please complete the attached form and email or drop off to the office. Thanks!

LABEL, LABEL, LABEL!

Please label all of your child's belongings; jackets, etc. This is the best way to help ensure nothing gets lost, misplaced or taken home by someone else accidentally. It's cold, remember weather appropriate indoor and outdoor attire!

NEW FACES! Ms. Alexis has joined our Cuddlebugs Class. She jumps right into activities, loves interacting with the children and is super excited for the opportunity to be here. Ms. Mafooz has joined the Cuddlebugs, too. She is always smiling, has years of child care experience, and her child development education has made her transition effortless into the busy world of our toddlers! Ms. Monica joins our Rainforest and Jungle classes. She will help out as needed. The routine comes as second nature to her, she is motherly, gentle and friendly. We are extremely happy with our new team and we know you will be, too.

MEDICATION REMINDER

CW staff does not administer medication of any kind, unless it is life sustaining, such as an epipen. This includes over the counter meds such as Tylenol, prescription meds such as amoxicillin and prescription topical ointments, etc. You, as the parent or guardian, are welcome to come administer medication as needed. Often your dr. can prescribe medication dosage twice daily for your convenience if you mention our policy in advance. This policy was stated in the parent handbook provided at the time of enrollment for you to better make provisions if needed. We apologize and understand this may be an inconvenience, but we follow the guidelines within the constraints of state licensing.
