

Oct

WEATHER ALERT

Since the weather is getting cooler, all of our students need to bring in a warmer change of clothes to leave in their classroom. We still go outside even when it is chilly, so a jacket is recommended daily. Please remember our policy; if your child is well enough to attend school, then he/she must go outside with the rest of their class.

Good to Know...

Lately there has been a growth in car break-ins at school parking lots in our area. Although this has never happened at Country Woodland, we recommend increased awareness and being pro-active. Some helpful tips to try to avoid this happening to you taken from Firestone Car Care- Keep your car locked, never leave your car running when you're not in it (a CW policy as well) keep valuables hidden, park in well lit areas, keep your windows rolled up when parked and invest in good anti-theft systems. And never leave your child or pet unattended in a parked car.

HAPPY HALLOWEEN!

We have many awesome activities planned for fall. One of them being a Halloween party on Tues. Oct. 31, sign-up sheets posted in each room. Please pay special attention to any allergies that may be present in your child's class if possible. We understand that it may not be achievable for all goodies to accommodate these allergies, but if you do make something homemade, it is helpful to include the ingredient list. Please ask your child's teacher if you have any questions. Please do not feel obligated to bring in treats. On the 31st we also have a dress up Halloween parade around our front horseshoe then the Junge Buddies, Owls, and Sea Pals, go over to Leewood Nursing home to perform a Halloween singing show. The 3s and 4s will also be taking field trips to Burke Nursey and the infants, toddler and 2s and will enjoy a pumpkin patch right here on the Playground. Info has already been sent out with more details for days and times of these special events, stop by the office if you need another copy.

SCHOLASTIC BOOKS was a huge success! We earned many points for each class to receive free books. Attached is the order form for October. Remember, books make great gifts and the holidays are right around the corner!

www.shari@countrywoodland.com

t.price@countrywoodland.com

Here are the email addresses for the office. Good communication is very important. Please know our door is always open if you have any questions or concerns. We do our best to quickly respond to emails however sometimes we may be covering a classroom, walking around the rooms, doing a tour, etc. For urgent matters, if you feel you haven't received a response within a reasonable amount of time, please give us a call.

REMINDER, tuition is due Wednesday of each week to avoid the \$15 late fee. Thanks for your consistent on-time payment!

PLAYGROUND POLICY

Written with the support of our licensing representative a few years ago, with your Childs safety in mind, it is the policy of Country Woodland that parents not enter our playground. Please go to the side gate located behind the main office and a staff member will retrieve your child for you. We apologize for any inconvenience, but hope you understand this is for precautionary measures and helps us maintain order on our especially large playground.

BUG SPRAY/SUN SCREEN

Bug spray and/or sun screen should be taken home for the season. Teachers will bag it up, label it, and set it out on the table in your child's classroom for you to get. If it has not been taken home in the next few days, we will have to throw it out. Thanks. you.
