

Summer 2017

Dear Parents,

Beginning the week of June 26<sup>th</sup> and lasting the months of July and August, we will have water play day on a weekly basis. Please see your child's parent board to determine their specific day. Water play day allows the children to play in sprinklers, play with the water tables, and play games associated with water. Children who are not potty trained will not be able to go into wading pools. We ask that your child bring in a bathing suit, a towel, and perhaps water appropriate shoes, all labeled with his/her name.

All children participating in outdoor water play activities are required to have a signed permission slip on file. They will not be allowed to participate without one. If you would prefer your child not participate, an alternate activity will be provided. Please turn in the form regardless.

Should you have any questions, please feel free to stop by the office.

Thank you,

Shari Wood

---

WATERPLAY PERMISSION FORM

YES

My child \_\_\_\_\_ has my permission to participate in water play activities at Country Woodland School. These activities may include sprinkler play, water table play, wading pools (for children who are completely potty trained) and games associated with water.

NO

I do not wish for my child \_\_\_\_\_ to participate in water play activities. I understand that an alternate activity will be provided.

Parent Signature \_\_\_\_\_ Date \_\_\_\_\_
